### **Old/New Business**

The WASD School Board was approached with request for funding for a majorette advisor, Kelly Hynal. This has not been approved. Ms. Marino wanted additional coach for majorettes, as she is not able to be present for many spring and summer rehearsals due to her commitments with the WASD teachers union. A majorette advisor would be able to provide oversight and safety during practices. Silks and majorettes often have separate practices.

Pam Gealy-wants to have recognition for the four band members going to the PMEA All-State Festivals. She will look into an item, perhaps a polo shirt, and report at next meeting.

New fundraiser approved-31 Bags and Pampered Chef for Spring, 2013. Barb Forsythe is a 31 Bags Rep. Would like to have sale for Mother's Day delivery.

Band Apparel sale-April-May approved. Leanna will start getting designs and prices.

Was brought up that parents that indicate that they would like to help with committees/fundraisers need to be contacted with information as to how they can assist.

Claudia Furlan would like to start training parents of younger band members with the uniforms.

Adjourned at 7:45p.m., Respectfully submitted, Leanna Zoeller, WABB Secretary
